

BAE Systems GXP[®] open house **GXP Xplorer[™] and SOCET GXP[®] —** **Organize. Analyze. Deliver.**

Wednesday, February 2, 2011

Choose from one of two identical sessions:

8 a.m. to 11:30 a.m. or 1 p.m. to 4:30 p.m.

BAE Systems auditorium, Reston, VA

BAE Systems is hosting a free open house to preview GXP Xplorer[™] v2.0, the revolutionary new data management application, and to demonstrate new functionality for SOCET GXP[®] v3.2, the analyst's tool of choice for data fusion, analysis and geospatial-intelligence reporting.

The briefings present an overview of key software capabilities and insight into how the tools work together. Two identical sessions are offered — one in the morning and one in the afternoon. Both half-day presentations are unclassified and lunch is provided.
