THIS AGREEMENT REPRESENTS THE ENTIRE AGREEMENT CONCERNING THE PROGRAM BETWEEN YOU (“LICENSEE”) AND BAE SYSTEMS INFORMATION SOLUTIONS INC. (“LICENSOR”), AND IT SUPERSEDES AND REPLACES IN ITS ENTIRETY ANY PRIOR PROPOSAL, REPRESENTATION, OR UNDERSTANDING BETWEEN THE PARTIES.

1. License Grant

Licensor hereby grants to Licensee a limited, non-exclusive license to use the Program, in machine-readable, object code form on a single computer (Node Locked Licensed version) or on any one networked-computer at one time (Floating Licensed version) only as authorized by this Agreement. Licensee has no right to assign, sublicense, transfer, pledge, lease, rent, or share its rights under the license or this Agreement. Except as and only to the extent expressly permitted by applicable law, Licensee may not copy, decompile, reverse engineer, disassemble, modify, or create derivative works of the Program or any part thereof. Licensee may make one copy of the Program in machine-readable form for backup purposes; provided, however, that Licensee shall reproduce any Licensor or third party copyright, trademark and patent notices on the Program on such backup copy.

2. Restrictions on Use of Program

Licensee may use the Program in accordance with the terms and conditions set forth in this Agreement. Licensee may use the Program solely for lawful purposes. Licensee may not use the Program in any manner that violates any U.S., international, or foreign laws or regulations or any third party's rights, including copyright, patent, privacy or publicity rights, or other intellectual property rights.

3. Transfer

The Program may be transferred to a computer of like configuration, or the computer on which the Program resides may be transferred to another location of Licensee's organization within the same country in which the computer was located when the Program was originally licensed and installed, so long as such transfer is made in accordance with the U.S. Department of Commerce Export Administration Regulations.

4. Export Restrictions

Licensee shall comply with all export laws and restrictions and regulations of the United States Department of Commerce, the United States Department of State, the United States Department of Treasury Office of Foreign Assets Control ("OFAC"), or other United States or foreign agency or authority, and not to export, or allow the export or re-export of the Software in violation of any such restrictions, laws or regulations (including, without limitation, export or re-export to destinations prohibited either in Country Groups Q, S, W, Y or Z country specified in the then current Supplement No. 1 to Section 770 of the U.S. Export Administration Regulations (or any successor supplement or regulations), or the OFAC regulations found at 31 C.F.R. 500 et seq.). By installing or using the Program, Licensee is agreeing to the foregoing and is representing and warranting that it is not located in, under the control of, or a national or resident of any restricted country or on any such list.

Licensee indemnifies and holds Licensor and its licensors harmless from and against any liability that may arise from Licensee's failure to comply with all export control laws and regulations.

Any transfer of the Program outside the country of initial installation shall be permitted only with Licensor's prior written consent.

5. Term; Termination

The term of this Agreement will continue unless and until terminated in accordance with the provisions hereof. Licensee may terminate this Agreement at any time by returning the Program and all copies to Licensor or by deleting the Program and providing Licensor certification of Program deletion to the following address: BAE Systems Information Solutions Inc., 10920 Technology Place, San Diego, CA 92127, Attention: GXP Customer Support Manager. Licensor may terminate this License Agreement upon the breach by Licensee of any provision of this Agreement or upon Licensor's determination, in its discretion, to no longer license or support the Program. Upon termination of this Agreement, Licensee shall cease all use of the Program and, as directed by Licensor at its sole option, return or destroy all copies of the Program. Neither

termination by Licensee, nor termination by Licensor for breach, shall entitle Licensee to a refund of any portion of the Licensee fee.

6. Limited Warranty

6.1 Media Warranty

For ninety (90) calendar days from the date of shipment (the “Warranty Period”), Licensor warrants that the media on which the Program is contained will be free from defects in materials and workmanship. During the Warranty Period, Licensee may return the defective media to Licensor and it will be replaced without charge. Replacement of media is Licensee's sole remedy in the event of a media defect.

6.2 Program Warranty

Licensor warrants that the Program shall substantially perform as described in its user’s manual, as it exists on the date of delivery, during the Warranty Period. This warranty is void where Licensee’s use is unauthorized, in breach of this Agreement, or where non-conformity is related to inaccurate or incorrect Licensee data. Licensor’s sole obligation under this warranty shall be limited to using reasonable efforts to correct any reported defects and to supply a corrected version as soon as reasonable after being notified of such defects. Licensor does NOT warrant that (a) the operation of the Program shall be uninterrupted or error-free; or (b) the functions contained in the Program shall operate in all combinations or sequences; or (c) the Program shall meet Licensee's requirements; or (d) that defects for which there is a reasonable work-around procedure will be corrected.

6.3 Disclaimer of Warranties

LICENSEE EXPRESSLY ACKNOWLEDGES AND AGREES THAT USE OF THE PROGRAM AND DATA IS AT ITS SOLE RISK. EXCEPT FOR THE LIMITED WARRANTY SET FORTH ABOVE AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE PROGRAM, DATA AND SUPPORT SERVICES (IF ANY) ARE PROVIDED “AS IS,” WITH ANY AND ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND. EXCEPT FOR THE EXPRESS WARRANTIES STATED ABOVE, LICENSOR AND ITS LICENSORS HEREBY DISCLAIM ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE PROGRAM, DATA AND SUPPORT SERVICES (IF ANY), EITHER EXPRESS OR IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. LICENSOR DOES NOT WARRANT THAT THE PROGRAM, DATA AND SUPPORT SERVICES (IF ANY), ARE ERROR-FREE OR WILL BE UNINTERRUPTED, FREE FROM SPYWARE, MALWARE, ADWARE, VIRUSES, WORMS OR OTHER MALICIOUS CODE, OR WILL FUNCTION TO MEET LICENSEE’S REQUIREMENTS. FURTHER, LICENSOR MAKES NO WARRANTIES OF ANY KIND WITH RESPECT TO ANY THIRD PARTY

SOFTWARE INCLUDED WITH THE PROGRAM. THIS CLAUSE SHALL SURVIVE TERMINATION OR EXPIRATION OF THIS AGREEMENT.

7. Limitation of Liability

TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT SHALL LICENSOR OR ITS LICENSORS BE LIABLE UNDER ANY LEGAL THEORY FOR ANY DAMAGES, INCLUDING, BUT NOT LIMITED TO, ANY DIRECT, INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, LOSS OF DATA, LOSS OF PRIVACY, DENIALS OF SERVICE (INCLUDING COMPUTER CRASHES), BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO LICENSEE'S USE OR INABILITY TO USE THE PROGRAM AND/OR DATA, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT, OR OTHERWISE), EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING, IN NO EVENT SHALL DAMAGES EXCEED THE LICENSE FEE PAID. THIS CLAUSE SHALL SURVIVE TERMINATION OR EXPIRATION OF THIS AGREEMENT.

8. Indemnity

LICENSEE AGREES TO INDEMNIFY AND HOLD LICENSOR AND ITS AFFILIATES HARMLESS FROM ANY CLAIMS, PROCEEDINGS, DAMAGES, COSTS, AND EXPENSES ARISING OR RESULTING FROM (1) LICENSEE'S USE OF THE PROGRAM FOR ANY ILLEGAL PURPOSE, OR ANY USE NOT AUTHORIZED BY THIS AGREEMENT OR IN BREACH OF THIS AGREEMENT; OR (2) INACCURATE OR INCORRECT LICENSEE DATA.

IF LICENSEE IS THE U.S GOVERNMENT (DEFINED BELOW), THE FOREGOING INDEMNITY CLAUSE IS REPLACED AS FOLLOWS: NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED AS REQUIRING THE U.S. GOVERNMENT TO INDEMNIFY LICENSOR. HOWEVER, LICENSEE AGREES THAT IT IS SOLELY RESPONSIBLE FOR ITS USE OF THE PROGRAM AND ASSUMES ALL RISKS ARISING FROM SAME, INCLUDING BUT NOT LIMITED TO CLAIMS, PROCEEDINGS, DAMAGES, COSTS AND EXPENSES ARISING OR RESULTING FROM USE OF THE PROGRAM FOR ANY ILLEGAL PURPOSES OR ANY USE IN BREACH OF OR NOT AUTHORIZED IN THIS AGREEMENT.

9. Support

Licensor shall have no obligation under this Agreement to support the Program after the expiration of the Warranty Period. Any Licensor support of the Program after the expiration of the Warranty Period shall be the subject of a separate written upgrade entitlement agreement between the parties.

Note: Upgrade entitlement grants Licensee only the right to upgrade the existing Program, not install the upgrade Program on a second computer while continuing to operate the earlier version on the computer in which originally installed. Licensee shall not install the Program update(s) on another computer while continuing to operate the earlier version on the computer in which originally installed. If Licensee wishes to run the upgraded Program on another computer, while continuing to run earlier versions on other computers, Licensee must purchase a new license.

10. Reservation

Licensor reserves all rights not expressly granted to Licensee in this Agreement. Licensor retains all title, interest and ownership of all intellectual property rights in and to the Program and accompanying documentation, including, but not limited to, all copyright and rights and interests of every kind or nature in and to all works based upon, incorporated in, derived from, incorporating or relating to the Program and documentation or from which the Program and documentation are derived, as well as the right to exploit any of the foregoing in all media and by any manner and means now known or hereafter devised, throughout the universe, in perpetuity. This clause shall survive termination or expiration of this Agreement.

11. Privacy

During registration or use of the Program, information about Licensee and Licensee's computer may be collected. By installing the Program, Licensee consents to the collection and processing of information about Licensee and Licensee's computer.

12. Updates

Use of the Program may require periodic checking for software updates over the Internet. By use of the Program, Licensee consents to such periodic checking, unless Licensee's environment is a closed environment or operates under heightened security requirements where remote checking is not possible. In such event, Licensee and Licensor shall mutually agree on a delivery mechanism for providing updates which may include, by way of example only and without limitation, DVD or other media delivery. No updates will be installed without Licensee's prior consent.

13. Government Acquisitions

This provision applies to all acquisitions of the Program by or a federal agency, department, branch, commission, board, office, council, authority, or other federal entity of the United States of America (the "U.S. Government"). The U.S. Government hereby agrees that the Program qualifies as "commercial" computer software within the meaning of FAR Part 12.212 (October 1995), DFARS Part 227.7202-1 (June 1995), and DFARS 252.227-7014(a) (June 1995). The terms and conditions of this Agreement shall pertain to the U.S. Government's use and disclosure of the Program, and shall supersede any conflicting contractual terms or conditions. If this Agreement fails to meet the government's minimum needs or is inconsistent in any respect with

federal procurement law, the government agrees to return the Program unused to the party from whom acquired.

The U.S. Government further authorizes and consents, pursuant to FAR Part 52.227-1 (July 1995), to all use and manufacture, in creation and operation of the Program, of any invention described in and covered by a United States patent.

14. Educational Use License

If Licensee acquires the Program pursuant to an Educational Use as defined below, such Educational Use is subject to an Educational Use License that has the following additional terms.

14.1 Definitions

“Educational Use” means one or more of the following: (a) an education price is charged by Licensor and paid by Licensee for the Program and documentation; (b) the Program and documentation is received by virtue of Licensee’s participation in a Licensor program designated as designed for educational or research institutions; or (c) the Program and documentation is provided by Licensor to Licensee under some other arrangement expressly designated for educational use.

“Educational Use License” means a license granted under this Agreement to Licensee for an Educational Use.

14.2 Licensee shall have all the rights under this Agreement as a single-use Floating License except that the computer on which the Program is installed and used shall be a desktop computer in a university lab.

14.3 Licensee represents and warrants that Licensee is an employee or student of the educational institution where the Program is to be installed and used.

14.4 Program and documentation licensed pursuant to an Educational Use License shall be used for educational and research purposes only.

14.5 Commercial and general production use of Program or documentation licensed pursuant to an Educational Use License are specifically prohibited.

14.6 The duration of the Educational Use License is one (1) year, from the date on which the Program license keys are made available to *Licensee*, unless otherwise agreed upon in writing by Licensee.

14.7 An Educational Use License entitles Licensee to email and telephone support for up to two (2) designated employees and Program upgrades during the term of Licensee’s Educational Use License.

14.8 Licensee grants Licensor the right to use any material created by Licensee related to the Program or documentation for marketing, advertising or other similar purposes.

15. Incorporated Third Party Software

The version of the Program you are receiving incorporates third parties' software under licenses from such third parties. Certain third party software is subject to such additional terms and conditions as noted in Appendix A. Further, other third party software licenses incorporated into the Program may require Licensee's agreement to further terms and conditions. When required by the terms and conditions of each third party license, license information is provided in Appendix A and/or the license itself is made available at <http://baesystems.com/gxp>: click Support, click License Services, click License Agreements.

16. General

16.1 Licensee is responsible for installation and operation of the Program.

16.2 This Agreement shall be governed by and interpreted in accordance with (i) federal common law, if Licensee is the U.S. Government or (ii) the laws of the State of California, without reference to conflict of law principles of the State of California, for all other Licensees other than the U.S. Government. All disputes or actions arising out of this Agreement shall be subject to the jurisdiction of (i) the United States federal courts if Licensee is the U.S. Government or (ii) the California state courts (or if there is exclusive federal jurisdiction, the United States District Courts) in San Diego County if Licensee is not the U.S. Government. The parties agree and submit to the personal and exclusive jurisdiction and venue of the applicable courts identified hereunder.

16.3 Failure or neglect by Licensor to enforce at any time any of its rights or remedies shall not be deemed a waiver of its rights or remedies nor prejudice Licensor's rights to take subsequent action.

16.4 In the event any of these terms are determined to be invalid or unenforceable to any extent, such term shall be severed from the remaining terms, which shall continue to be valid to the fullest extent permitted by law.

16.5 Licensee is responsible for payment of all taxes associated with this transaction.

16.6 Licensee acknowledges and agrees that no license, right or interest is granted to use the names, trade names or trademarks "BAE SYSTEMS Information Solutions Inc.," "GXP," "SOCET GXP," "GXP Xplorer," "Geospatial eXploitation Products," "SOCET SET," "SOCET Services," or any other trade name or trademark, or portion of any of them, owned by or licensed for use by Licensor or any parent, or subsidiary or other company with whom Licensor is affiliated for any purpose whatsoever other than reproduction of such trademarks on permitted backup or archive copies of the Program.

16.7 This Agreement applies to updates, supplements, add-on components, or Internet-based services components, of the Program that Licensor may provide to Licensee or make available to Licensee after the date Licensee obtains its initial copy of the Program, unless Licensor provides other terms along with the update, supplement, add-on component, or Internet-based services component.

16.8 Licensee agrees that Licensor reserves the right to change (amend, add to, or delete) the terms and conditions of this Agreement. Unless otherwise required by law, Licensor may amend this Agreement without prior notice to Licensee. If Licensor notifies Licensee of such an amendment, or posts amended terms and conditions on Licensor's website, Licensee's continued use of the Program shall constitute Licensee's agreement to be bound by the amended terms and conditions.

16.9 Except as otherwise provided herein, this Agreement may be amended only by a subsequent writing signed by both parties, and no other act, document, usage, or custom shall be deemed to amend this Agreement.

Oracle

THEGXP XPLORER DESKTOP CLIENT contains certain Oracle libraries for the purposes of parsing XML documents. The Oracle libraries are subject to the following restrictions: Licensee expressly acknowledges that Oracle Corporation is a third party beneficiary to this Agreement.

Program Distribution

We grant you a nonexclusive, nontransferable right to copy and distribute the programs to your end users provided that you do not charge your end users for use of the programs and provided your end users may only use the programs to run your applications for their business operations. Prior to distributing the programs you shall require your end users to execute an agreement binding them to terms consistent with those contained in this section and the sections of this agreement entitled "License Rights," "Export," "Disclaimer of Warranties and Exclusive Remedies," "No Technical Support," "End of Agreement," "Relationship Between the Parties," and "Open Source." You must also include a provision stating that your end users shall have no right to distribute the programs, and a provision specifying us as a third party beneficiary of the agreement. You are responsible for obtaining these agreements with your end users.

You agree to: (a) defend and indemnify us against all claims and damages caused by your distribution of the programs in breach of this agreements and/or failure to include the required contractual provisions in your end user agreement as stated above; (b) keep executed end user agreements and records of end user information including name, address, date of distribution and identity of programs distributed; © allow us to inspect your end user agreements and records upon request; and, (d) enforce the terms of your end user agreements so as to effect a timely cure of any end user breach, and to notify us of any breach of the terms.

Export

You agree that U.S. export control laws and other applicable export and import laws govern your use of the programs, including technical data. You agree that neither the programs nor any direct product thereof will be exported, directly, or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation.

Disclaimer of Warranty and Exclusive Remedies

THE PROGRAMS ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. WE FURTHER DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

IN NO EVENT SHALL WE BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR DATA USE, INCURRED BY YOU OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR ENTIRE LIABILITY FOR DAMAGES HEREUNDER SHALL IN NO EVENT EXCEED ONE THOUSAND DOLLARS (U.S. \$1,000).

No Technical Support

Our technical support organization will not provide technical support, phone support, or updates to you for the programs licensed under this agreement.

End of Agreement

You may terminate this agreement by destroying all copies of the programs. We have the right to terminate your right to use the programs if you fail to comply with any of the terms of this agreement, in which case you shall destroy all copies of the programs.

Relationship Between the Parties

The relationship between you and us is that of licensee/licensor. Neither party will represent that it has any authority to assume or create any obligation, express or implied, on behalf of the other party, nor to represent the other party as agent, employee, franchisee, or in any other capacity. Nothing in this agreement shall be construed to limit either party's right to independently develop or distribute software that is functionally similar to the other party's products, so long as proprietary information of the other party is not included in such software.

Open Source

"Open Source" software - software available without charge for use, modification and distribution – is often licensed under terms that require the user to make the user's modifications to the Open Source software or any software that the user 'combines' with the Open Source software freely available in source code form. If you use Open Source software in conjunction with the programs, you must ensure that your use does not: (i) create, or purport to create, obligations of us with respect to the Oracle programs; or (ii) grant, or purport to grant, to any third party any rights to or immunities under our intellectual property or proprietary rights in the Oracle programs. For example, you may not develop a software program using an Oracle program and an Open Source program where such use results in a program file(s) that contains code from both the Oracle program and the Open Source program (including without limitation libraries) if the Open Source program is licensed under a license that requires any "modifications" be made freely available. You also may not combine the Oracle program with programs licensed under the GNU General Public License ("GPL") in any manner that could cause, or could be interpreted or asserted to cause, the Oracle program or any modifications thereto to become subject to the terms of the GPL.

This software is provided by the copyright holders and contributors "as is" and any express or implied warranties, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose are disclaimed. In no event shall the Intel Corporation or contributors be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the use of this software, even if advised of the possibility of such damage.

This Program was developed in part using data from the EPSG Geodetic Parameter Registry:

1. Whilst every effort has been made to ensure the accuracy of the information contained in the EPSG Facilities, neither the OGP nor any of its members past present or future warrants their accuracy or will, regardless of its or their negligence, assume liability for any foreseeable or unforeseeable use made thereof, which liability is hereby excluded. Consequently, such use is at your own risk. You are obliged to inform anyone to whom you provide the EPSG Facilities of these Terms of Use.
2. **DATA AND INFORMATION PROVIDED IN THE EPSG FACILITIES ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE.**
3. The data may be included in any commercial package provided that any commerciality is based on value added by the provider and not on a value ascribed to the EPSG Dataset which is made available at no charge.
4. Ownership of the EPSG Dataset by OGP must be acknowledged in any publication or transmission (by whatever means) thereof (including permitted modifications).
5. Subsets of information may be extracted from the dataset. Users are advised that coordinate reference system and coordinate transformation descriptions are incomplete unless all elements detailed as essential in OGP Surveying and Positioning Guidance Note 7-1 annex F are included.

6. Essential elements should preferably be reproduced as described in the dataset. Modification of parameter values is permitted as described in the table below to allow change to the content of the information provided that numeric equivalence is achieved. Numeric equivalence refers to the results of geodetic calculations in which the parameters are used, for example (I) conversion of ellipsoid defining parameters, or (ii) conversion of parameters between one and two standard parallel projection methods, or (iii) conversion of parameters between 7-parameter geocentric transformation methods.
7. No data that has been modified other than as permitted in these Terms of Use shall be attributed to the EPSG Dataset.
